

MORINI

Pasta Making Classes

Want to throw a birthday no one will forget? Looking for something fun and hands on to do for corporate team building? How about a fun new twist to your bachelorette party? No matter what you're celebrating, pasta will only make it better. And why not get creative with it, by learning how to make your own!

Let Osteria Morini throw you a pasta making party for your next event!

Our talented house chefs will demonstrate the dough making process, different shapes, and usages of a variety of pastas. Following the interactive course, enjoy a 3-course lunch featuring two of the pastas demonstrated in class and dessert! Guests will also take home the pastas they made in class to enjoy in a home-cooked dish!

chef-led pasta class with mimosas
